Instructor's Results by Course and Section (Written Comments)

	Course Code-Section	Comment
1	ACS103-011	Mr. Dragos is a great professor! I enjoy his classes and he is very nice and easy going :)
2	ACS103-011	Professor Dracos has definitely been my favourite professor this semester, he's great at what he does and definitely made the learning experience great. School has never been something I enjoy or want to attend but this definitely changed with the interesting lectures that Professor Dracos provides, he is incredibly enthusiastic and knowledgeable. One of my favourite things he did was giving us activities at the end of the lecture to help us develop skills (academically and people skills).
3	ACS103-011	This course was a surprising treat. Going into it I wasn't sure I would grasp the concepts or enjoy the material but have found it to be enjoyable and engaging and that I have learnt a ton. Prof Dragos also provides excellent, detailed feedback on assignments in a timely manner. Really is there to help the students succeed!
4	ACS103-031	Chris is great, he speaks to us respectfully as peers almost and he teaches in a way easy for us to understand, but also at a university class.
5	ACS103-031	One of these best Prof's I have had so far in my academic career. A class I love very much and would love to have him as a teacher again.
6	ACS103-031	Professor Dragos has to be one of the most interesting and intelligent people I've ever met. He has extensive knowledge on various aspects of the humanities and was able to provide personal experiences to certain sections. Additionally he has brought in excellent guest speakers who have broken down concepts and explained their life paths in relatable ways. I thoroughly enjoy this class.
7	ACS103-031	The instructor is willing to accommodate for and foster the ability of students who struggle yet are willing and attempting to improve, he clearly cares about the students.
